

"Woodlawn, including the land, buildings, furniture, and pictures therein shall be kept as a public park" -George Nixon Black, Jr.

**Room and Object Focus Exercise**

- A visit to Colonel John Black's Home is a Journey into the Past...***
- Fine Federal Architecture and Handsome Furnishings***
- Fine China and Glassware***
- Original Tapestries and Embroidery***
- The Carriage House***
- The Restored Gardens and Grounds***

The Woodlawn Museum, or Black House as it has come to be known, was built between the years 1824 and 1828 on a 300 acre plot of land (now 180 acres). It was lived in by three generations of the Black family and remains today completely furnished, just as it was used by the members of the families that lived there.

**Room Focus**

The room that I will be focusing on is \_\_\_\_\_

Three of the furnishings that I found most impressive in this room are:

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

This room shows me that people in the early 1800's \_\_\_\_\_
